Without the Airfare

“The staff at Sugar Lake Lodge made our wedding weekend absolutely amazing! From start to finish, every single encounter we had with the staff was SO positive. We couldn't have asked for a better venue or more hospitality. Thank you from the bottom of our hearts for making our wedding weekend here so perfect.” – Carol Marie

“Having our wedding at Sugar Lake Lodge was the best decision we made. No detail was overlooked and the staff was so EASY to work with. We loved the Alexander Room’s big windows looking out toward the lake. We made it a sort-of destination wedding and many of our friends and family stayed a few extra days and we played on the lake - it was amazing all around.” – Ann M.

Have an Unforgettable *Northwoods Wedding*

Sugar Lake Lodge is one of the best-kept secrets in the state of Minnesota—with tall, majestic pine trees encircling perhaps the most crystal blue lake you’ll find anywhere. We offer a number of options for a broad range of ceremonies and celebrations inside our Lodge or outdoors overlooking spectacular Sugar Lake.

Your wedding should reflect your unique personality and dreams for your event, and our on-site staff will work with you to cover every detail so you are free to enjoy your special day.

Ceremony & Event Venue Options

Several indoor and outdoor venues are available to enhance your theme:

-  **The Alexander Room:** Located in the Main Lodge, this venue seats up to 225 for a meal. Knotty pine accents, sound system, westerly sunset views of Sugar Lake, a walkout patio - complete with a picturesque garden and large bonfire pit - make this a memorable environment.
-  **Maple Room:** Perfect for intimate rehearsal dinners and bridal lunches prior to your ceremony, or for smaller ceremonies and receptions. Located in the Main Lodge.
-  **Lakeside Garden:** Overlooking the aquamarine waters of Sugar Lake, this lush grass lawn and flower garden provide a spectacular backdrop for a ceremony. Tent rentals are welcome for inclement weather, but the resort does not provide them or have them on-site. Located outside of the Main Lodge with westerly views overlooking Sugar Lake.
-  **Lodge Dining Room:** Open for select private events, this intimate dining area has knotty pine accents and unobstructed panoramic views of Sugar Lake. Located in the Main Lodge.
