This large open space is covered in lush green grass and is nestled up against a beautiful flower garden filled with Zinnias, Coleus Roses, Geraniums, and Sunpatients. Turn around and you'll be greeted by the westerly sunset views of Sugar Lake. It's the perfect backdrop for a memorable ceremony, and some incredible pictures.

Located just outside of the Main Lodge, this space provides a short walk to your reception area.

Open up the doors and you're treated to a walkout patio, picturesque garden, and a large bonfire pit to warm your guests as the sun sets on your big day! Whether you're looking for small and personal setting or a larger room for a bigger group, this hall is a memorable place to hold your reception.

Planning & ADDITIONAL INFORMATION

Reservation Dates & Room Blocks

We are only available for wedding dates between May and October. A minimum 35-room block is required for all wedding events. All stays are required to meet a 2-night minimum*, and all rooms must be rented by guests at your wedding. Any lodging options count towards your block, as do the number of bedrooms (i.e. a three-bedroom unit will count as three rooms in your block). You will be responsible for the number of rooms not filled. These rooms will be billed at the rate of our lowest priced accommodation.

We suggest sending out early "save the dates" to notify your guests of the 2-night minimum.

Pricing & Fees

Our room rental fee is \$5,000 and it is \$6500 to include on-site ceremony (non-refundable), due at time of contract signing. There will be an 21% service charge and current sales tax rate charged on all services.

**Holiday weekends (Memorial/Labor Day) are a 3-night minimum.*

Event Timing

You will have access to the banquet room at 4:00pm the day before your function. Decorating is the sole responsibility of the wedding party. We ask that all belongings be removed from the banquet room by 11:00am on the day following your event.

During the reception, beverages will not be served after 12:00am. We also require that any entertainment (e.g., live bands, DJ, etc.) end no later than 12:30am. The maximum number of wedding guests shall not exceed 150 people.

Decoration Restrictions & Damages

We do not allow open flamed candles (unless floating in water), confetti, glitter, smoke or fog machines. Any damages associated with decorating are the sole responsibility of the wedding party and may be subject to a \$1000 cleaning fee if rules are not adhered to.
